HIGH SCHOOL GRADUATION CEREMONIES

Participation in district graduation ceremonies is a privilege, not a right. Except as provided below, only those students who have met the graduation requirements of the district and have fulfilled all obligations may participate in high school graduation ceremonies. Obligations include, but are not limited to, senior check-out, paying of all fines and dues, having resolved all discipline issues including detentions and returning all uniforms, books and equipment.

A foreign exchange student of senior standing who has not met the district's graduation requirements: (a) may participate in district high school graduation ceremonies provided he/she has fulfilled all obligations; and, (b) may receive a certificate of attendance.

An individual receiving a diploma in accordance with the Board's policy on awarding diplomas to veterans shall be allowed to participate in district graduation ceremonies.
