

Dear Parent/Guardian:

Marathon High School is participating in a new state program called *Direct Admit Wisconsin*. *Direct Admit Wisconsin* is designed to provide a means for all Wisconsin high school students to access a world-class public education by proactively offering them admission to the Universities of Wisconsin.

Based on a review of your student’s 11th grade transcript (grade point average, math coursework, progression towards graduation), you and your student will receive an email in July via Skyward indicating which UWs are providing them direct admission, and the next steps they will need to take in order to learn more about enrolling within the Universities of Wisconsin. Participating in this program does not commit your student to attend the Universities of Wisconsin. This program is free; students do not need to submit application essays or ACT scores as part of this program.

To facilitate the administration of this program, the following information will be shared by the school with the Universities of Wisconsin: Name, WISEid (*WI Dept. of Public Education’s unique, permanent, and unduplicated identifier for every student in the state*), Local Student District ID, contact information, legal sex, race/ethnicity, GPA and high school transcripts.

There are 10 UWs participating in Direct Admit Wisconsin for Fall 2026:

If you/your student would prefer to **opt-out** of the *Direct Admit Wisconsin* program, please complete the section below and have your student return this form to the Marathon High School main office or directly to Ms. Aune, School Counselor, no later than **April 25, 2025**.

=====

_____ My student will **NOT** be participating in the *Direct Admit Wisconsin* program.

I understand that my child’s information will **NOT** be shared with the above UW schools and should they decide to apply in the Fall of 2026, they will need to complete the entire application on their own, including writing an essay, sending ACT scores and/or paying any associated fees.
