

ADMINISTRATIVE CONTRACTS

The Board of Education shall appoint a district administrator and building principals for a term of not more than two years. If at any time, in the opinion of the majority of the Board, a member of the administrative staff is performing unsatisfactorily, written notice shall be given along with an opportunity to correct specified deficiencies. If such notice is given, the administrative staff member's performance shall be reviewed after 30 calendar days of receipt of such notice.

The renewal and/or nonrenewal of each administrative contract shall be according to state law.
