

**STUDENT RESPECT FOR DISTRICT STAFF**

Students are expected to recognize the differences in the respective roles of staff and students. Respect for the position of staff members is to be maintained at all times. Students having any problems in maintaining respect for staff members while on school premises, in any school-owned vehicle or other vehicle used to transport students to or from school or school activities or off school premises during any school-sponsored or approved activity, event or function shall be sent or reported to the building principal.
