

STUDENT INTERVIEWS

The following policy shall apply to student interviews by insurance adjusters or investigators, sales representatives or any person other than a college, university, technical or vocational school representative, a representative from a private school listed on the Department of Public Instruction's (DPI) list of accredited schools or probation, parole, law enforcement or social services personnel:

- No one shall interview students during the school day unless no other means of interview are available.
- No interviews shall take place until the student's parent/guardian has been notified.
- The building principal or his/her designee shall be present for the entire interview and students shall be informed that they need not sign anything.
