

**INSTRUCTIONAL STAFF POSITIONS**

All instructional staff members shall, at a minimum, possess the proper certification credentials required by the state of Wisconsin and meet any applicable federal law requirements. For purposes of this policy manual, instructional staff shall include all regular full-time and part-time certified classroom teachers, guidance counselors, certified persons hired through the auspices of the Marathon County Children with Disabilities Education Board and the Local Vocational Education Coordinator, if applicable

Written job descriptions shall be established for instructional staff positions which, at a minimum, outline position qualifications and the essential functions of the position. Such job descriptions shall be adopted by the Board in accordance with state law requirements.
