

**SCHOOL SAFETY PLAN**

The Marathon City School District is committed to providing as safe of environment as reasonably possible for students, employees and citizens while they are present on school premises or participating in school-sponsored activities. With this goal in mind, a school safety plan has been developed and is in effect in the Marathon City School District.

The school safety plan has been developed with involvement from administrators, staff, law enforcement and other community agencies, students, parents/guardians and other interested parties as deemed appropriate and necessary.

The school safety plan has been developed consistent with district policies and legal requirements, and includes the following:

- measures to prevent violence, disruptions and unsafe conditions;
- intervention strategies to help maintain a safe environment, keep problems isolated and deter them from reoccurring; and
- a crisis management plan.

The school safety plan shall be reviewed and updated on a regular basis. A current copy of the safety plan shall be filed in each school and the district office. District employees shall receive a copy of the school safety plan for their assigned school. Staff inservice training shall be provided annually.

The District Administrator or designee shall provide regular reports to the Board regarding school safety plans, needs and issues. Students, staff, parents/guardians and the public shall be made aware of school safety efforts being taken in the district so as to enhance their confidence in the safety of the schools.
