

May 13, 2020

Dear Parent(s):

I am writing today to inform you that registration is open for the upcoming Summer Driver's Education Classroom Program offered at Marathon High School.

The dates for this summer's program are June 18 through July 10; 16 days of classes. Classes run from 8 AM-10 AM or 10:00 AM-12:00PM. Classes will be held virtually using Zoom. Students can only miss 1 class during the scheduled dates. Any missed class is required to be made up on the scheduled make up day, July 10th, to maintain the required number of hours for classroom training. If you have any concerns regarding the dates and times feel free to contact me.

To be eligible for this opportunity students must be 14 ½ years old by the first day of class. MHS will have 50 slots open for this summer. 25 students in each section. Sections will be filled on a first come-first served basis.

Respectfully yours,

David Beranek
MHS Principal

Detach and return to Mr. Beranek at the high school office by May 29, 2020.

Student Name: _____
