

School District of Marathon

Guidelines

August 11, 2021

Monitoring:

The District will monitor (and post) active in building positive cases and total numbers of staff and students. If active case numbers remain below 5%, we plan to maintain the “Return to Normal” planning.

Should numbers rise above 5% at any point in time, the District Administrator will request a School Board meeting (Regular or Special Meeting) to determine action, if any, to be revisited or revised.

Guidelines for the use of masks in Marathon school facilities:

- Masks are being considered recommended, not required.
- Please be aware that the CDC recommends, whether you have or have not been vaccinated, to continue to wear a mask in indoor settings.

Guidelines for School Buses

- Federal Rule (Mass Transit) governs public transportation.
- School buses are considered public transportation. The District will honor any requirements established by our bus contractor.
- Masks are required on public transportation (buses) due to the Federal requirement. Current requirement is currently set to expire, September 13th.

Guidelines for student and staff quarantines:

- Individuals identified as a positive case will be required to isolate for 10 days from onset of symptoms or from test date if symptom free.
- Any staff or student identified as a close contact to a positive case will need to quarantine for 14 days. Close contacts who choose to show proof of COVID vaccination will not need to quarantine, if asymptomatic.
- Individuals identified with COVID related symptoms will be sent home to isolate for 10 days or until they provide a negative test result for COVID within the recommended protocols.

Guidelines for non-school use of facilities:

“Non School” sports / activities (Booster/Youth) may use school facilities

- Must complete the required facility use forms (as always).
- Each event must have an individual identified as "Event Host/Manager".
- Event Host/Manager is responsible for ensuring these District guidelines are followed.

Guidelines for Concessions (indoors and outdoors):

- Same as “pre-covid” (Jan. 1, 2020)
- All servers must wear gloves when serving non pre-packaged foods (i.e. Hamburgers, hot dogs, etc.)

Guidelines for Outdoor Activities (athletics / recess) & Masks:

- Same as “pre-covid” (Jan. 1, 2020)

Guidelines for Indoor Activities (athletics) & Masks:

- District will follow WIAA guidelines.
