POST SECONDARY ENROLLMENT OPTION

Marathon High School offers a number of opportunities for the high achieving student. Postsecondary Enrollment Options (Early College Credit Program, Start College Now, Cooperative Academic Partnership Program & Distance Learning) are programs in which 10th-12th grade students may opt to attend a Wisconsin institution of higher education for the purpose of taking one or more courses offered by that institution which would then apply toward credit required for high school graduation.

CURRICULUM

A comprehensive curriculum of 100+ courses emphasizes preparation for post-secondary success. Besides offerings in English, mathematics, sciences and social studies, students have an opportunity to take courses in agriscience, business education, physical education, technology, foreign language, and fine arts.

EXTRACURRICULAR ACTIVITIES

Besides the formal curriculum, Marathon High students are engaged in many co-curricular activities. Marathon offers a wide array of opportunities including athletics, music, forensics, and clubs ranging from foreign language to math.
